

All the King's horses

On the coronation of King Charles III, eight horses will be tasked with pulling the iconic Gold State Coach. This coach was built in 1762 and has been used for every coronation in the British Monarchy since 1821. It weighs four tonnes, and must always be pulled by horses at a walking pace

To make a simple hobby horse you will need:

- Horse head printed onto card (click here for free horse printable: <https://www.messylittlemonster.com/2015/10/hobby-horse-craft.html>)
- A cardboard tube
- Paper strips (with cuts for the horses mane)
- Eyes, stickers, pom poms, crayons etc to decorate

Method:

- Cut out a horse's head and decorate. You might want to decorate both sides of your horse's head.
- Once dry simply cut 2 slits into your cardboard tube at one end and slot your horse's head on.

Horsey, horsey

Horsey horsey don't you stop
Just let your feet go clippety-clop
Your tail goes swish and the wheels
go round
Giddy up, we're homeward bound.

We're not in a hustle, we're not in a
bustle
Don't go tearing up the road
We're not in a hurry, we're not in a
flurry
And we don't have a very heavy load.
