

All the Queen's horses

Princess Elizabeth was given her first pony at the age of 4. When asked what she would like to be when she grew up she replied saying, "I should like to be a horse."

To make a simple hobby horse you will need:

- Horse head printed onto card (click here for free horse printable: <https://www.messylittlemonster.com/2015/10/hobby-horse-craft.html>)
- A cardboard tube
- Paper strips (with cuts for the horses mane)
- Eyes, stickers, pom poms, crayons etc to decorate

Method:

- Cut out a horse's head and decorate. You might want to decorate both sides of your horse's head.
- Once dry simply cut 2 slits into your cardboard tube at one end and slot your horses head on.

Why not turn your outside area into a race track? Take your hobby horses outside and see which horse can 'clippety-clop' the fastest.

Horsey, horsey

Horsey horsey don't you stop
Just let your feet go clippety-clop
Your tail goes swish and the wheels
go round
Giddy up, we're homeward bound.

We're not in a hustle, we're not in a
bustle
Don't go tearing up the road
We're not in a hurry, we're not in a
flurry
And we don't have a very heavy load.
